PETITIONER'S COMMENTS

Please accept these comments as restated below from
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public
interest would be served by allocating Channel 288A to
Odin, Illinois as that community's first local FM service.
Odin, Illinois is an incorporated community with a
population of 1,122 people. Odin has its own city hall,
high school, police department, post office, fire
department and a number of local churches. Odin is a
community that is certainly deserving of a first local FM
service. The proposed channel 288A will provide additional
diversity and an outlet for local self-expression to Odin
residents and therefore is in the public interest.

Should this petition be granted and Channel 288A is allotted to Odin, Illinois, Petitioner will apply for Channel 288A at Odin and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
